Find Your Crew This Open Enrollment with Wellhub!

Wellness lasts when it's shared—so why not find your crew? Use your membership to meet up with colleagues for an after-work sweat session, align your schedules for a weekend class, or push your boundaries together.

A single subscription continues to grant you seamless access to our premier US network anchors and premium digital tools:

- **Top-Tier Studios & Gyms:** Drop into industry favorites like SoulCycle, F45, Life Time, CorePower Yoga, Anytime Fitness, and Crunch.
- **Find What Moves You:** Keep things fresh with your coworkers by exploring diverse activities from high-energy functional circuit training and spinning to mindful yoga, rock climbing, saunas, and golf.
- **Digital Connections:** Track your miles and connect with your company's active community via premium access to top-tier apps like Strava.

🎉 **Exclusive Open Enrollment Offer:** We're making it even easier to commit to your routine through the end of the year. Enroll or change your plan between **November 2nd** and **November 16th** to get **$50 off any plan until the end of 2026!*** This special promotion applies to both monthly and annual subscription options, making it the perfect moment to join or upgrade.

Start your membership today with these simple steps:

1. **Access Wellhub:** Log in or create your Personify Health account and select the **Wellhub** tile.
2. **Create Your Account:** Sign up for your free Wellhub account by using your preferred email address and creating a password.
3. **Get the App & Choose a Plan:** Download the **Wellhub** app and sign in using your new credentials, select a plan that fits your needs, and start using your benefit

Don't tackle your wellness goals alone. Re-explore your plan options, pick what fits your life, and find your crew today!

*__Limited-Time Offer__: This offer is exclusively available to employees and family members who enroll in a new plan during the promotional period. Enjoy discounts on one of our plans until the end of 2026. These discounts are in addition to any employer subsidy, if applicable.
