Dental policies and plans are insured and/or administered by Aetna Life Insurance Company (Aetna).In Texas, the dental Preferred Provider Organization (PPO) is known as the Participating Dental Network (PDN). DMO plans are insured by Aetna Life Insurance Company, Aetna Dental Inc., Aetna Dental of California Inc. and/or Aetna Health Inc. (Aetna). Each insurer has sole financial responsibility for its own products.

Refer to Aetna.com for more information about Aetna® plans.

For DMO plans, some states allow limited benefits when you go out of network for covered services. In Illinois, DMO plans provide limited out-of-network benefits, but to receive maximum benefits, members must select and have care coordinated by a participating primary care dentist (PCD). In Illinois, the DMO plan is not a health maintenance organization (HMO). In Virginia, the DMO plan is known as the Dental Network Only plan (DNO). DNO in Virginia is not an HMO; to receive maximum benefits, members must choose a PCD to coordinate their care with in-network providers. In California, your dentist may refer you to out-of-network dentists for some services.

DISCOUNT OFFERS ARE NOT INSURANCE. They are not benefits under your insurance plan. You get access to discounts off the regular charge on products and services offered by third-party vendors and providers. Aetna makes no payment to the third parties — you are responsible for the full cost. Check any insurance plan benefits you have before using these discount offers, as those benefits may give you lower costs than these discounts.

Estimated costs are not available in all markets or for all services. We provide an estimate for the amount you would owe for a particular service based on your plan at that very point in time. It is not a guarantee. Actual costs may differ from an estimate for various reasons including claims processing times for other services, providers joining or leaving our network or changes to your plan. Health maintenance organization (HMO) members can only get estimated costs for doctor and outpatient facility services.
